Black Stainless Steel

Signature Features

FLEXZONE™

- Flexible, bottom-right door changes to a fridge or freezer, maximizing fresh food storage space.
- Four customizable fridge temperature settings: Cool at 41°F, Chilled at 30°F, Soft Freeze at 23°F, and Frozen at -8°F–5°F.

LARGE CAPACITY

- Our 28 cu. ft. large-capacity Flex™ Refrigerator has enough room to fit up to 28 bags of groceries.[1]

[1] Grocery comparison based on each cubic foot of usable space equaling one paper bag.

TRIPLE COOLING

- Premium cooling system provides precise temperature control in all three zones using three evaporators.

[2] Among consumer-grade freestanding refrigerators.

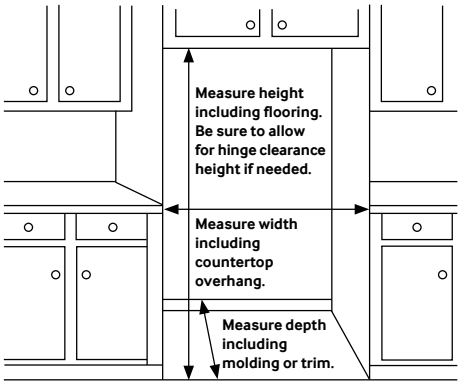
28 cu. ft. 4-Door Flex™ Refrigerator

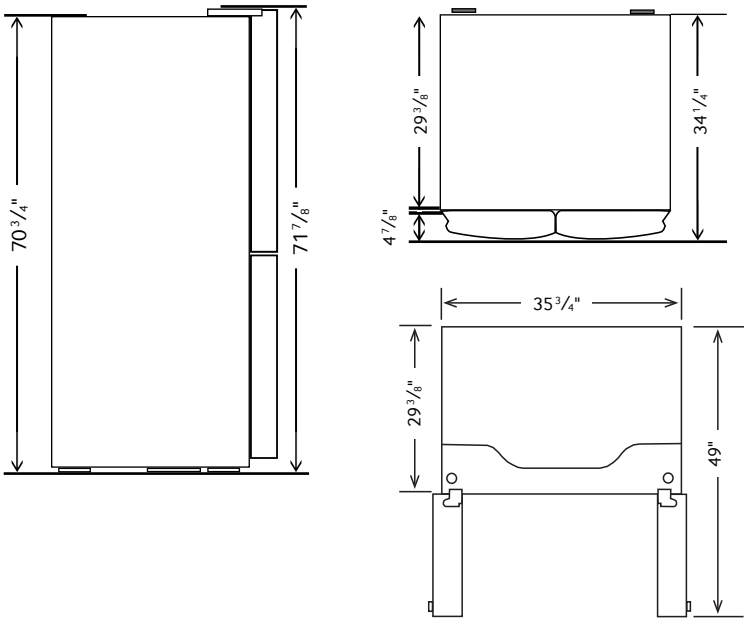
Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.



Dimensions



Total Capacity: 28.1 cu. ft.

Refrigerator: 16.6 cu. ft.

- Premium External Filtered Water and Ice Dispenser (Crushed or Cubed Ice)
